Klondike 2004
Chippewa Valley Council

Theme: Operation Search and Rescue

Where: Brunswick Property south of Eau Claire

When: January 23-25, 2004

Who: Trailblazer District Boy Scout Troops and Webelos units
Note: Webelos units may attend the day events only.

Cost: $10.00 Cost includes N**oon lunch** and patch.

NOTE: Noon lunch will be provided. Pre registration is encouraged to assure our numbers for lunch. Registration deadline is January 20.

It is important for pre-registration to occur so the District Committee can plan for the noon lunch. **NOTE:** Each person will be responsible for their own utensils and mess kit. Hot chocolate and water will be made available. We also ask each unit to bring with them as many adult Scouters and parents as possible. We are in need of adults to perform various duties in many different positions as they are related to Search and Rescue. For instance, victims (prepared ahead of time with information from the committee), radio operators, judges, headquarter personnel as needed.

The time schedule is a crunch. Therefore the decision was made to provide the noon meal. However, to continue to provide the program and maintain good food, we are requesting each registered Boy Scout and Scout Leader bring one can of Soup with them for the community supper. **Please refrain from bringing creamed, chili, or tomato soups.** Also, if a unit desires to cook a dessert, they are more than encouraged to do so and share as they can.

This Klondike will be unlike previous ones. The noon meal will be provided as to allow maximum time for the events.

Training events are to include:

1. Signaling and communication
2. First Aid- Hypothermia, broken bones, heart attack, concussion
3. Wilderness survival
4. Map & Compass

5. Search and Rescue techniques
6. Sled inspection
7. Fire building

Speaking of sleds, the decision has been made to have the sled be required to carry all listed equipment plus one person. Also, the sled should have two or more runners or skis. Listed equipment is as follows

___ Sled
___Blanket
___Water Source- Minimum ½ gallon
___Matches- Properly stored
___ First Aid Kit
___ Boy Scout Handbook
___ 30' Rope
___Firewood
___Pot
___Pocket Knife
___Candy Bar for each SCOUT!
___Candle
___ Compass
___Equipment pack for above items

The judging will be on a list of criteria to include such things as:

Equipment listed for the sled
Leadership ability
Use of knowledge learned from morning sessions
Completion of tasks

Each unit is encouraged to attend future Roundtables to gather additional information. Camping is allowed for Saturday night; however, the awards are planed for distribution during the Saturday supper.

The time schedule will be put out later. Saturday registration begins at 7:45 a.m. and concludes by 8:15 a.m.

The District Program Committee recognizes this to be an ambitious plan. However, a little challenge is good now and than. In order to make this happen, the committee is asking for adult Scouters to step forward and help as needed.

Any questions, please feel free to contact the various members.
