An * next to a Merit Badge indicates that it can be completed during the Clinic provided the Scout has done his preparation.

All Scouts should read the Merit Badge book prior to the Clinic. Failure to prepare for the Clinic will result in a Scout not completing all of the requirements that the Counselor has prepared for. All Scouts should bring the MB Booklet with them. Booklets will be available for sale at the Clinic for \$5 each, but the boys will not have an opportunity to read it before sessions start.

Some Advised Merit Badge Pre-or Post-requisites

You will see some listed in red beneath the offerings. This list is not complete – look through requirements and see what you can do to be prepared. Those Scouts who are not prepared will have more work to do after the Clinic.

Specific MB worksheets will be provided to each scout by his MB clinician.
