Details: We're going backpacking once again! Our plan is to arrive at County O Landing before dark Friday, and set up camp there. We'll be able to cook breakfast Saturday morning using equipment from the troop trailer before hitting the trail. There will be two options: Experienced backpackers can hike around 5-6 miles south along the St. Croix River to the canoe campsite, while younger Scouts can ride in the van further south to the pickup point, and hike back north 2-3 miles. So we'll all be camping together Saturday night, and hiking 2-3 miles south to the van Sunday morning.

You must have a **good backpack with a padded hip belt** capable of carrying all your food and water and gear (including sleeping bag, tent, etc.), and you need to **pack light**. The troop owns two loaner backpacks. (See the Troop Guidebook for rental policies.) Since we might encounter cold and wet conditions, please avoid cotton clothing. Cold and wet cotton can be an invitation to hypothermia. You should have wool socks, synthetic inner layer, and fleece for warmth, along with good rain gear. If your sleeping bag doesn't fit in your pack, wrap it in a trash bag and then in a stuff sack to keep it dry.

Retain the above information and return the form below with any money by 7pm on Monday, April 15. (We will be buying food that night.)
